

NAWIC - Spokane Chapter #143
Strategic Plan
October 1, 2009

Mission Statement

Provide professional educational meetings, industry awareness and career development to benefit the community and construction industry.

Our goals...

Goal 1 - Develop industry associations and partnering opportunities for the benefit of our membership.

- Develop partnering with industry associations.
- Partner with association for joint meeting or event.
- Investigate partnership opportunities.

Milestone

- Increased educational opportunities with partners.

Goal 2 - Provide quality speakers and professional meetings for our membership.

- Develop education committee.
- Create speaker contacts list.
- Develop calendar on website to include future meetings topics and speakers.

Milestone

- Increased attendance at meetings and functions
- Increased membership.

Goal 3 - Provide construction industry related educational programs for students

- Block Kids Program
- Seek out other construction industry related educational programs for students.

Milestone

- More applicants, more exposure

Goal 4 – Sponsor a construction related community service project

- Research availability of projects in local area

Goal 5 – Sponsor an industry event

- Golf Tournament

Milestone

- Building loyalty in the industry and name recognition
